

## 2020 Siegel Challenge Lift-A-Thon

From:

Dear Siegel Nation Supporter:

**\*\*PLEASE REPLY ASAP\*\***

THE SIEGEL HIGH SCHOOL FOOTBALL TEAM is conducting the **Siegel Challenge Lift-A-Thon From February to March** to generate additional support for our program. Our program is dedicated to teaching Siegel football core values. Our core values are: Respect, Care, Trust, Family, Grit, Excellence.

The expense of maintaining a quality football program is considerable, especially since we are a **self funding program**. The football team does not receive any money from the school or county. Everything required for a football team, from helmets to practice equipment to field maintenance is paid from monies raised. The money raised will be used to make annual reconditioning and upgrades to our players equipment and facilities. Our goal this year is to raise **\$50,000** to help fund this for over 120 players. Please join us in upgrading our football program to provide a championship-quality playing environment.

I would very much appreciate your sponsorship of our 2020 Siegel Challenge Lift-A-Thon. I am privileged to participate in a program that is committed to honesty, integrity, and strength of character. As a result, I am learning the qualities of becoming a good citizen and a quality young man.

### You have three options for submitting your donations:
