

LaPorte Slicers Softball Camp

The LaPorte Slicers Softball program is offering a summer camp June 10th – June 13th. Players will learn fundamentals and different skills they will use for their upcoming season. Players will participate in multiple drills that our high school program does on a daily basis. Our coaches and players will be there to help teach and give an authentic high school softball experience. We are excited to build a program that starts at and includes the younger levels. We hope you join us in this building process as we hope to get you and your daughters excited about playing at the next level and excited to be a part of LaPorte softball.
