

2018 OHSAA DI Boys State Champions Medina High School Boys Soccer Premier Soccer Camp

For Boys and Girls U 10-13
June 17-21, 2019

The Medina High School Boys Soccer Program would like to invite you to our third premier player camp. If you are a serious soccer player that wants to understand how to prepare for a successful high school career this is the camp for you. It is designed to be affordable, challenging and fun. This camp is a major fundraiser for our programs. Our program is very successful and that is because of the support of the players and parents of this community.

During our camp, your child will discuss the game of soccer in an analytical way. They will be asked questions by our coaches and be expected to solve soccer problems on the field during exercises. Soccer is a player's game played by players. We will begin to empower you as a player with insight into how the game is played at the high school level so that you can be ready when the opportunity comes. We look forward to a great week of camp and hope you all consider joining us this summer.
