TJ's AD Update:

1. Post-season ticket sales will be \$12/ea. for football. OHSAA has not released their post-season prices for other sports. Athletic Dept working out system for asking parents how many tickets.
2. Football has won its fifth CVC title in a row. Girls Tennis are CVC Champs. Volleyball won the pink jug and are looking for a CVC title.

Financials: Mark D'Astolfo

1. Pirate card sales are currently at \$9620. Cheerleading has sold the most so far.
2. Virtual 50/50 ran for 5 weeks. Did not make as much as other years but it was profitable considering the current environment. Gary - possibly pursue having 5050 for basketball games, other sports

Other Business:

Pirate Cards: Totals continue to come in. Chris Holroyd: Would be advantageous to have a debrief session on what worked and what didn't work for card sales this year.

Concessions: Still considering options. Would be staffed by volunteers. Food options would have to be updated.

Reverse Raffle: Would like to consider options and discuss Angela Spring's ideas with her for next year. Unlikely that there will be an in-person event. Option could be to do online auctions with bigger baskets and prizes.
