New Business

-As a Representative of your sport/s you are expected to attend a minimum of 6 meetings per year

-Distribution of Team funds is at the discretion of the coaches-You have no control how it is spent. If you have questions about your team account, talk with your coach first, then Laurie.

-Please keep in mind that as a District we will be losing @\$400,000 a year starting this school year. Budget cuts will be happening across the entire district. The Athletic Department received a 20% cut which is @ \$18,000
