

**Starting the 2020-21 School year, all Guardians will need to have an active Parent Portal Account in Campus.** The **Parent Portal** provides access to secure and timely information for your student(s) including Assignments, Attendance, Calendar, and Grades. You can also view Announcements in the Message Center on the Parent Portal.

**Food Service:**

New this school year will include the capability to manage your student's Food Service Account in the Parent Portal. You can make online payments using Checking, Savings and/or Credit Card/Debit Card to pay for your student's meals. Families can also set up automatic payments to pay for meals. You will also be able to check on current balances and see any purchases for their account.

**Meal Benefits Application:**

The Meal Benefits Application can also be found in the Parent Portal by selecting More, Meal Benefits and selecting the link for the Application Process. This form must be completed each year to qualify for free and reduced priced meals. By completing the form you also help the district receive additional funding to support classroom learning. We encourage everyone to fill out this form and please consider completing the form if your income has changed due to the pandemic.

**Activities & Athletics & School Store:**

Also new this year is the School Store. This is where you will sign up and pay for Activities and Athletics for your Student. You will be able to shop for school supplies and other items too.

**Transportation:**

Starting on August 17th, you will be able to view your student's Transportation information on the Parent Portal.

**How to Activate your Parent Portal Account:**

1. Go to Fridley Public Schools Home Page: [www.fridleyschools.org](http://www.fridleyschools.org)
