We understand that a secondary medical insurance policy is provided by the league. Claims are considered only after our primary insurance policy pays. In consideration for the Club to allow our child to participate, we hereby full release and discharge the Grant County United Soccer Club, their directors, officers, coaches, assistants, players and all other individuals participating in the Club as may be determined from time to time by the league, club or their coaches, including their heirs, personal representatives, and assigns of said persons from all rights, claims and actions, which said child or child's successors, now or in the future have against said parties, arising from child's participation in the club or club's operations, soccer league or league operations, which may result in the damage of the child in the form of personal injury, death, property damage, or otherwise.
