## **INTRODUCTION AND GOALS**

Players and Parents,

I am proud to announce the dates for the 2019 Eastbrook Summer Football Camp and the Eastbrook Youth Football League.

Our camp introduces some of the basic skills needed for football such as blocking, catching, and kicking. We also stress the importance of teamwork, establishing a good work ethic, and having fun.

Our camp has grown in popularity every year. I believe the camp is a good way to learn some of the basic skills and rules of organized football. They are also introduced to a team sport in a non-competitive environment.

Most of the current varsity players in our program got their introduction to football through our camp. This is a feeder program set up by the varsity football staff. The camp will give your son the opportunity to learn the "Eastbrook Football System" at an early age.

The camp is staffed by the varsity football staff and some current and past players of Eastbrook Football. Our football program has developed into one of the most respected programs in the state and we want your son to be a part of our future success.

Yours In Football,

Jeff Adamson  
Head Football Coach  
Eastbrook High School

## **COST OF THE CAMP**

A week of instruction for \$40.
