

Welcome to Midland High School Athletic Booster Club

The Midland High School Athletic Booster Club (MHS ABC) is an organization that provides support to all athletic teams at Midland High School. Any adult who would like to get involved with the athletics program at Midland High is welcome to join the MHS ABC. Even if you don't have a child attending MHS, we always have opportunities to volunteer and get involved. The MHS ABC meets the 4th Monday of each month (no meeting in December) at 7:00 p.m. at Midland High. All meeting minutes will be posted on chemics.net within one week of the meeting.

Our goal is to support our athletic teams financially which helps maintain the tradition of excellence in athletics at Midland High School. Some examples from this past year include: indoor concession stand popcorn popper, wrestling disinfectant mat, cheer air track, boys golf rain gear, new timing system and starting pads for the pool and trainer support, tournament fees paid for many teams, and four senior scholarships were also awarded. The MHSABC also provides each team with "Spirit Money" to help with activities during their season.

Save the date: Booster Bash 2019 is Saturday, March 9. MHS ABC and Dow High Sports Boosters combine efforts annually to put on Booster Bash. One of the largest fundraisers that helps the MHS ABC be successful is Booster Bash. Mark your calendars today to join us. More information coming soon! For additional information, check back to chemics.net.
