

## **WCHS HERALD VARSITY LETTER REQUIREMENTS**

In order for a WCHS Herald student/athlete to earn a Varsity Letter, the following standards must be met:

1. The student/athlete must be a part of the varsity team for a significant portion of the season. The suggested standard would be a minimum of half the season, but if the student came up to varsity and was a contributor for less than half, he/she would still qualify.
2. Student/athletes who are brought up to varsity from lower-level teams due to injuries of players on varsity (or to replace players who have left the team) would be eligible for a varsity letter.
3. Student/athletes who are brought up from a lower-level team just for the playoffs (with no playing time in the playoffs) would not be eligible for a varsity letter.

\*The goal of these standards is to make the varsity letter something to be achieved, and not just something handed out without being earned.

Varsity coaches can request the specific number of patches needed for their award banquets, OR can refer the student/athletes to pick them up from the Athletic Director's office.
