Austintown Athletic Complex Project Groundbreaking Ceremony Set for November 8th

Austintown, OH- Shovels will be in hand **Wednesday, November 8th at 3:00 p.m.** for the groundbreaking of the Austintown Athletic Complex project. The ceremony will take place next to Coppola baseball field, located behind Greenwood Falcon Stadium.

The Athletic Complex Project will include re-turfing Greenwood Falcon Stadium and turfing Coppola Baseball Field as well as the grass area located behind the stadium, which will be used as a soccer/multi-purpose field. The project will also include a new Daktronics video enhanced scoreboard, videoboard inside Fitch gymnasium, lighting for the baseball field, and a softball fieldhouse at 9/11 Memorial Park.

The 2.2 million dollar project was approved by the board of education at the October meeting. The district is loaning the funds to the athletic department. The athletic department will pay the district back by raising funds from sponsorships and corporate/private donations/grants. Please contact the athletic department if you have an interest in being a part of this project.

Following the ceremony Wednesday, the entire complex, including track, will shut down to begin construction on the project.
