## Parent Transportation Permission Form

It is the expectation of the Sandy Valley Athletic Department that athletes ride buses to AND from athletic events. We understand circumstances arise that necessitate an exception and will consider transportation to or from the contest if the following apply:

- Confirmation that a parent will be transporting their son or daughter (No student is permitted to drive)
- A valid excuse for the absence(illness, family emergency, other school-related activity, etc.)
- A permission slip must be filled out in advance (24 hours) and turned in to Gary Hinton, Athletic Director at Sandy Valley High School, for approval.
- Once approved, the athlete is responsible to submit a copy of the permission form to the head coach of that team
