

## WeFam NoMatterWhat Scholarship Application

**NO MATTER WHAT**

### **APPLICATION DEADLINE: MAY 7, 2021**

WeFam NoMatterWhat (WFNMW) is a social enterprise that supports and promotes the message of unity through fashionable athletic wear and accessories. It is our goal to utilize our resources and network to create/provide entrepreneurial opportunities for a community of youth to build wealth and create a salubrious legacy.

WFNMW has initiated the JaShawn L. Scott scholarship fund that will award three \$1,000 scholarships to selected Gahanna Lincoln students. Our goal is to encourage students to enter college, trade school, or work towards entrepreneurship. There is a critical need for this generation to lead with purpose.

JaShawn was a student athlete at Gahanna Lincoln High School. He will be remembered by his smile, outgoing personality, being authentic and straight forward, as well as being the center of attention. JaShawn continues to change lives and lead with purpose with his decision to become an organ donor at such a young age. WFNMW will continue his legacy through this scholarship program for graduating seniors.
