**TAFT RAIDER
FOOTBALL CAMP 2018
JULY 31 to AUG 2**

Ricky Stade
Head Football Coach

Tel: 210-397-6060

PURPOSE

The Taft Raider Football Camp will be a preview of what the participants will encounter upon entering the program in the Fall. The coaching staff from Taft High School will conduct the camp and provide the fundamental skills and techniques of offense and defense. This will be a non-contact camp. This will be an excellent opportunity for all campers to get a head-start on learning the skills, terminology, and drills that they will need to be successful in the upcoming year. The camp will focus on the following three main areas of instruction:

- 1) Position Instruction: Introduction to the basic skills and techniques for all offensive and defensive positions, as well as specialties such as punting, kicking, and snapping.
- 2) Strength and Conditioning: Instruction in using the proper techniques involved in weightlifting, and sessions on speed and agility development. Safety will be emphasized in all of these sessions.
- 3) Nutrition & Drug Education: Information on proper nutrition and hydration will be discussed. Information will be provided regarding the possible dangers associated with the use of steroids, supplements, and other performance-enhancing products.

CAMP INFORMATION

DATES: July 31— Aug 2 (T-Th)

PLACE: Taft High School Football Field
