Dear Greyhound Families and Fans:

Using the Order from the Ohio Department of Health, guidance from OHSAA and collaboration with district administration and the Ohio Capital Conference, we provide the following general information for attendance at athletic events for the 2020-2021 season. Specific details vary by sport.

SPECTATOR GUIDANCE

- Spectators will be limited to a set number of tickets per athlete.
- Tickets are \$7.00 for all varsity contests, \$5.00 for JV and Freshman contests
- **There are no passes or discounts on tickets (no exceptions per the OCC).**
- Households are required to sit together at contests and must maintain 6 feet of social distance in all directions from other spectators.
- NO STANDING; all spectators must be seated!
- No standing and viewing from outside of the fences.
- Student sections are **not** permitted.
- Spectators must follow the designated pathway when entering and exiting venues.
- Please throw away trash in receptacles provided.

SAFETY GUIDANCE

- Masks are required at all times for spectators, officials, coaches, media and athletes not on the field of play. If you have a condition that prevents you from wearing a mask, we ask that you not attend the game.
- No congregating before or after games. We respectfully ask that all spectators enter and exit the facilities in a timely manner.

TICKET SALES

- There will be no cash sales.
- Tickets will only be available for online purchase through locallevelvents.com. The link for purchasing tickets can be found at gchsgreyhounds.com.
- Athletes will be given a code for purchasing tickets. Tickets will be scanned at the gate.
- **Athletes codes are good for a ONE time purchase only. This will require blended families to coordinate attendance plans.**

This is a very fluid and ever changing situation. As guidelines change we will reevaluate the situation and make changes as needed. We appreciate your patience and understanding. Thank you.
