This group will swim Monday, Wednesday, and Friday mornings, 8:45-9:45am, June 4-29th at South Putnam. Swimmers in this group should be able to swim 25 yards of *both* freestyle and backstroke independently and ideally have graduated from the swim lesson program at South or from the Griffings 1 group through PCST. Over the course of the month of June, swimmers will be introduced to and receive instruction in the fundamentals of the four competitive strokes, along with basic introduction for starts and turns. Registration for this group is through the PCST website:
