

# West Orange High School

## Banner Advertising Sponsorship Guidelines

Like most public schools, we rely on the community to help us provide a safe and healthy athletic environment for our student athletes to thrive. The Banner Advertising Sponsorship Program is a great opportunity to promote your business throughout the West Orange High School community in support of our athletic programs.

By purchasing a banner, you support our teams and student athletes while advertising your business or organization. Between Raymond Screws Stadium and the High School Gym, our facilities are used by multiple teams, outside rentals, and Orange County Public Schools throughout the school year.

Advertise your business to thousands at West Orange High School this upcoming school year, and help to support West Orange Athletics and our student-athletes!
