ABOUT THE Scholarship

Tyler had a passion for the Seeger football and wrestling programs

as a student and as a coach. He was always willing to lend a hand to the boys he coached, often taking money out of his own pocket to help out a student in need. Tyler was always supportive of students, family, and friends and gave of himself and wholeheartedly in all situations. The Scholarship is a testimony to his life and passion for Seeger football and wrestling, one that will live on forever as it helps others to meet their educational goals. The Tyler Potts Memorial Scholarship is awarded to student athletes involved in wrestling, football, community service, and academics.
