Away Jersey Color: Gold or White

Tickets: Regular season tickets for football are \$6. Tickets can be purchased at the ticket gate beginning 45 minutes prior to the start of the game. There is an exact change line and a pass list line in addition to a change line. Individuals under the age of 10 will be admitted for free when accompanied by a paying adult. We enforce a NO re-entry policy once you have entered the stadium.

Passes: The following passes will be accepted for regular season events only:

- University High School Athletic Passes: Bearer only
- University High School Faculty ID: Bearer plus immediate family
- Visiting School Faculty ID: Bearer plus one guest
- Orange County Public Schools ID: Bearer only
- Florida High School Athletic Association (FHSAA) issued pass: Bearer only with photo ID
- Florida Athletic Coaches Association (FACA) issued pass: Bearer only with photo ID

Non-regular season events: Tickets for post-season are determined by the FHSAA and passes will not be accepted. The only pass that can be used is the FHSAA State Series pass for the bearer only with a photo ID. Football Regional Tournament tickets are \$8 and State Semifinal games are \$9.

Managers, student athletic trainers, and cheerleaders: These students should ride the bus with the team. If they will be arriving separately, they will only be admitted if in uniform and with a coach.

Bus and Administration Parking: Visiting varsity team buses, as well as band and cheerleader buses, will enter campus using the stadium entrance and then enter the stadium to drop off teams at the south end of the track before parking along the fence. Visiting administration will be issued parking passes to park inside the stadium, along with officials and media. Please email a list of administrators attending the varsity game to the Athletic Director, Jason Barnard, by Wednesday before the game to have passes sent to the visiting Athletic Director.

Spectator Parking: Spectators will park in the stadium parking lot.

Prohibited Items: University High School, as with all campuses in Orange County Public Schools, is a smoke free campus. Smoking, use of electronic cigarettes, or use of any tobacco products are prohibited anywhere on campus. Other items not allowed at our athletic events include glass bottles, coolers, drinks without lids, alcoholic beverages, weapons, artificial noise makers, sticks, chains, illegal substances, laser pointers, fireworks, aerosol cans, pets, pepper spray, clothing with inappropriate language, or any other items deemed to be considered inappropriate by the school administration or Orange County Sheriff's Office.

Visitor Seating: Visitor seating is on the west side of the stadium for all visitors. Restrooms and concessions are located near the entrance of the stadium.

Visitor Team Locker Room: The visiting team locker room is the north locker room located in the field house under the home seating side of the stadium. This will be made available upon request and during inclement weather.

Rosters: Please email a complete roster to the athletic director by Wednesday before the game.

Sportsmanship: Demonstration of proper sportsmanship is an expectation of all participating in an athletic event at University High School. Please refrain from any inappropriate behavior or language that could be considered as offensive to fellow spectators, officials, coaches, student-athletes, or school staff. Anything deemed as inappropriate could result in immediate dismissal from the event. Respect the game and the participants of the game.

Inclement Weather: University High School utilizes the Telvent Weather Sentry Sports Monitoring systems for dangerous weather at all outdoor athletic events. Our administrators, athletic trainers, and coaches all have access to and will receive warnings of incoming lightning. When the warning comes that lightning is within an 8 mile radius of the event, the contest will be suspended immediately. All student-athletes, staff, and spectators must relocate to a safe location. The public address announcer will give instructions to evacuate the playing area and spectators should go to their personal vehicle or to the gym to remain until the warning is lifted. In case of severe weather, the cheerleaders and Athletic Trainers will report to the Athletic Training Room; the visiting team will go to the North locker room in the Field House; the home team will go to the South locker room in the field house; both bands will go to the PAC/Band Room. The OCPS 30-30 rule will be followed to determine when it is safe to resume the contest.
