

# ELECTROCARDIOGRAM SCREEN (ECG) CONSENT FORM AND RELEASE OF LIABILITY

An ECG screen (also referred to as an EKG) can help identify young athletes who are at risk for sudden cardiac death, a condition where death results from an abrupt loss of heart function. An ECG screening may assist in diagnosing several different heart conditions that may contribute to sudden cardiac death.

By signing below, I elect to have representatives and volunteers from "Who We Play For" perform an ECG screen for my child. By electing to receive an ECG screen, I acknowledge the limitations of an ECG screen and that sudden cardiac death or other cardiac events may still occur, despite this screening. I further acknowledge that students with an abnormal ECG screen will be required to undergo further testing (e.g. an echo or ultrasound) and/or a medical consultation prior to being released to resume participation in school athletics. By my signature below, I hereby release and forever discharge, and waive, any and all claims against The School Board of Orange County, Florida and "Who We Play For", including each entity's employees, sponsors, trustees, consultants, volunteers and contractors for all actions related to this ECG screen. I authorize medical personnel to review the ECG results, and interpret, and use the same for diagnostic and aggregated statistical purposes in accordance with the Family Education Rights and Privacy Act and Health Insurance Portability and Accountability Act of 1996.

I DO HEREBY CONSENT to participation in the ECG screening on behalf of my minor child. I understand that the cost is \$20 (checks can be made payable to Who We Play For). If your child qualifies for free and reduced lunch, or you are facing financial hardship, funding is available.
