2020-2021 IHSAA Physical Information for South Adams HS and MS:

Due to the current conditions created by Covid 19, the IHSAA announced that athletic participation physicals for the 2019-2020 school year will also be good for the 2020-2021 school year. The physical must be a valid physical completed on the IHSAA pre-participation and consent form and submitted to the athletic office during the 2019-2020 school year. You are encouraged to get a new physical if you can; however, you will not be required to get one to participate in athletics during the 2020-2021.

Any athlete not having a valid IHSAA physical form on file from the 2019-2020 school year is required to have a valid physical completed prior to eligibility and competition. This includes any student-athlete coming from an out of state school or any student who did not participate in sports during the 2019-2020 school year. The student must have a valid Pre-Participation Physical and Consent Form completed on the official IHSAA form prior to eligibility.

To protect athletes and ensure their safety the best we can, South Adams is requiring any student whose 2019-2020 physical was marked as "pending further evaluation" obtain a new physical and be cleared without restriction to regain eligibility prior to competition for the 2020-2021 school year.

Also, every student will be required to resubmit proof of insurance information prior to competition. These forms are available to download on the South Adams Athletic Webpage, www.starfireathletics.com.

Any questions regarding physicals for the 2020-2021 school year can be directed to South Adams Athletic Director, Jason Arnold at 260-589-8231.
