Camp Program Goals

Develop players' comfort and familiarity with the sport.

Improve and educate about speed, agility, balance and coordination.

Provide players with feedback and guidance and develop self - assessment tools.

Provide players with activities and exercises they can do on their own.

Enhance their passion for athletics.

Excellent Coaching Staff

Campers will have the opportunity to work with the Niles High School Varsity Coaching Staff. What better way to receive instruction than from a future coach, if they choose to play that sport at the next level.

Niles High School Varsity athletes will also be part of several camps this year. Campers will be engaged, interacting and learning from both players and coaches in this program.

Location at Niles High School unless otherwise noted.
