Saxon Volleyball

South Salem High School Volleyball has become a consistent top contender in the MVC under Coach Leichty and the Saxon Staff over the past nine seasons. The Saxons have made eight consecutive State Playoff appearances, recently earning a 4th place trophy from the 2017 OSAA 6A State Championships! Despite graduating nearly the entire team, the 2018 squad still managed a playoff spot, and looks to build on that with many returners in 2019. Numerous Saxons have earned All Conference honors as well as collegiate scholarships in the last eight years, and Coach Leichty has also been recognized with the 2012 and 2017 Conference Coach of the Year Award.

Our goal is to develop Saxon Volleyball into a consistently top performing team in the state. We are utilizing the most current, research based, volleyball training techniques in use today, and are excited to develop top level players here in Salem.

Prior to joining South in 2010, Leichty developed a 3A power at Sheridan High School, earning 3 consecutive league titles and taking the team to the Final 8 at the State Tournament four consecutive years, including a State Championship in 2008. Due to their success, Leichty was named the 2008 Oregon 3A Volleyball Coach of the Year, and also received three WVL Coach of the year awards.

We invite you to attend our camps and learn the same skills and techniques that have transformed Saxon Volleyball. Saxon Volleyball Camps will be directed by Head Coach Matt Leichty with assistance from the Saxon coaching staff and current players.

Camp Schedule

The emphasis of our camps is basic skill development to prepare players for play at the middle school level as well as prepare 8th grade athletes for a successful transition to the high school level. The camp will focus on the fundamentals of passing, setting, and hitting, and a basic concept of offensive and defensive systems. We will run lots of drills and play plenty of games that will improve the skills of the developing player while creating a fun atmosphere for the younger player. Camp schedule below will be adjusted/shortened slightly for our 4th-6th grade camp.

From 4:00-5:00 each day, we will train the basic skills of passing, setting, hitting, and blocking with the purpose of developing and improving fundamental skills and movements.

From 5:00-5:30, we will specifically focus on developing the primary skill emphasis for the day. Each day will focus on one main skill that we want to really develop.

From 5:30-6:00, we will finish up with some game action incorporating the different concepts learned during the day.
