This year's summer football camp will be held at South Salem HS on 6/24-6/28. We will be holding a team building activity on Wednesday 6/26. All campers will spend the evening with the team at South Salem and participate in team building activities. We will conclude camp with scrimmages on Friday 6/28. I encourage all players who are planning to play football next fall to come to camp. It is a great opportunity for you to meet coaches and players, learn scheme and techniques and get geared up for the upcoming season. Please get your registration in by June 12th. I look forward to seeing you at camp!
