

Athletic Booster Club Meeting

August 14, 2017

Attendance- Appeared all teams in attendance

President's Welcome- Frank Soule

President welcome

Established a Quorum.

Minutes approved from last meeting in May.

Please sign in to make sure we have updated emails

Financials- June 30th is the end of the year for booster,

Financial reports handed out to the teams.

June/July collected "bagging for bucks" and Heritage match from golf tournament.

Suzanna has been treasurer for numerous years and stayed on even though her children have all graduated. She desires to step down from position. The recommendation is to hire a parent CPA, possibly Sherry Parlegreco to take the position. This would become a paid position at \$20/hr. The booster handles all the money for the teams and provides checks and balances (over \$100,000). Sandra Couch meets with Joe to write all the checks. Joe Monmonier does all the deposits.

Motion to transition new CPA Oct 1, 2017 into treasurer position for \$20/hr approved. Will re-evaluate June 1, 2018.

Please sell banners for the booster club. Banners are sold for \$600 with \$300 to team and \$300 to booster. Ten percent of all teams fundraising goes to the booster club. Last year it was \$5900.00 and the year before \$4,000 went to the booster.

Megan Youmans is handling football concessions. Please sign your team up to help with concessions. Each team will receive \$250 for helping with concessions. Need 2-3 adult representatives and players. We have 5 home games; September 14th we host Bluffton. The concession stand will have wraps, hot dogs, candy and soda. The other vendors will also be there- Kona Ice, Palmetto Popcorn and Mellie Mells.

Oyster Roast- the oyster roast is our big fundraiser for the booster team. It will be held February 17, 2018 at Hudson's. We will have more info in November. The owner Andrew was very generous last year and did not make us pay for food.

Rec Center- the Rec Center is being remodeled. The tennis courts will hopefully be done in about eight weeks. Hopefully the project is complete by June 2018.

Athletic Director's report- Joe Monmonier-

Please make sure your team representative attends booster meeting or team will be charged \$100.

Plan to do the youth shirts again this year. If the child wears their shirt, free admission into home game.

Plan to use Chaplin tennis while the tennis court area is being remodeled at the Rec Center. There is going to be a 30' high barrier to prevent foul balls from baseball entering the tennis court area.

Coaches Report-

Tennis- 24 girls tried out for 7 positions, it's a 2 week process

Football- first game is 8/25. There are 55 players at this time, young team with only 8 returning seniors

Cross Country- roster has 28 runners, girls look strong this year.

Cheer- first completion is September 30th

Golf- girl's tryout today

Swim- swimming practice started Aug1, schedule is still being finalized

Boy Lax- introduction of new coach Will Callegari- CDL certified and a teacher at the school.

Volleyball- start scrimmages 8/22

Final Notes

Ticket pulled by Girls Lacrosse

Next meeting September 11th- place to be determined
