The Miamisburg City Schools Athletic Department is partnered with Final Forms, an online forms and data management service. Final Forms allows you to complete and sign athletic participation forms for your students. Final Forms saves data from season-to-season and year-to-year, meaning that you will never need to enter the same information twice! Final Forms also pre-populates information wherever possible, for each of your students, saving you time. You will be required to review your information once per school year to verify information is current and sign the forms. The time to update your student athlete's information and register for 2017-2018 sport/activities' begins **Tuesday, May 15th**.

If you are new to Final Forms go to <https://miamisburg-oh.finalforms.com> to get started. If you require any support during the process visit www.miamsiburgathletics.com click on MORE, scroll down to Vikings HQ, and click on Final Forms.

We are asking that ALL parents and students register and use Final Forms for the 2018-2019 school year. Students will register and sign required paperwork after a parent has updated all information. **When registering students, it is very important to note that school e-mail addresses cannot be used.**

Physical Information: Physicals are good for one calendar year (365 days). All students participating in a sport or activity that requires a physical at Miamisburg City Schools must submit an official OHSAA physical. For the 2018-2019 school year all physicals will be downloaded into each student's Final Forms account when received in a timely manner. **When obtaining your child's physical, please fill out the Health History and Profile on Final Forms and print before you go to the doctor's office.** The Health History page will print with pages 3 and 4 of the OHSAA official physical which will need signed by the doctor. Please ensure that the entire document is filled out and signed before submitting to the athletic department, coach, or office. Once submitted the expiration date will be updated and the entire physical document will be downloaded into your child's Final Forms account. Physicals are updated and downloaded throughout the school year and summer in a timely manner. If your child has not yet gotten their physical for the upcoming school year or it will expire during the school year please arrange a time to update their physical before their first mandatory practice/tryout of the sport/activity they participate in.
