It is with great sadness that we share the news of the passing of longtime Greenfield-Central Wrestling Assistant Coach Ed Hamant. Coach Hamant was a staple within our wrestling program serving in many capacities for over 40 years. He was a role model to our student-athletes and supported each and every one of them. Coach Hamant was a true historian of our wrestling program and could recall most, if not all, milestone events that took place during his time with the program. His work ethic, positive attitude and genuine love and knowledge of the sport helped build and support the foundation of our wrestling program. Coach Hamant will be missed greatly but his legacy will live on.

Please keep Coach Hamant's family and the GC wrestling community in your thoughts and prayers.
