

North Oldham High School Athletic Facilities Improvement Campaign

Some of the North Oldham High School athletic facilities are in need to be upgraded. With the desire from the NOHS Athletic Department, the commitment from the NOHS Athletic Booster Club and the power of the community, we can make this happen.

We are hoping to add new video signs to the campus, mobile concession stands, playing field lights, locker room updates, all purpose training rooms for all teams, new restrooms just to name a few things.
