2020-21 Winter Athletic Sponsorship Form

John Glenn High School is offering local businesses the opportunity to participate in a special sponsorship program for our 2020-21 Winter Athletic season. Due to the pandemic we are asking for local businesses to help support the costs of our season by purchasing advertising in our Main Gym and at all winter athletic events. The cost of each sponsorship is \$200 and will receive the following:

- Advertisement displayed on our new 85" digital screen below our scoreboard.
- Announcement of sponsorship during games at breaks in the action.
- Sponsorships listed on our free rosters that are given to our spectators.
- We are also live streaming our events and we are currently attempting to add advertisements to those broadcasts.
- All sponsorships will also be announced in an article on our athletic website.
- Provided a thank you letter for your sponsorship for your records and tax purposes.
