April 16, 2018

Dear Business Representative:

This year Ridge View High School will be conducting the 2018 Ridge View Golf Classic on June 12th, 2018 at The Spur at Northwoods Golf Club to benefit the Athletic Department and the 33 teams that it serves. We are truly looking forward to this Captain's Choice event that will bring together the Ridge View family and the community for a wonderful day of golf and fun!

All proceeds from this tournament will benefit the Athletic Department as well as individual teams at Ridge View and will aid us in purchasing valuable equipment for our athletes while further solidifying our reputation as a first-class athletics program.

Sponsorships starting at only \$100 are available for this event, and we would like to invite you to join with us in raising the necessary funds to make this event a success. We are looking to raise over \$10,000 through this event and your support as a sponsor would be greatly appreciated.

Please see the attached pages to learn about our available sponsorships and contact me if you are interested in partnering with us. This year you will be able to designate what sport your gift will be donated to.

We will do everything we can to promote your business, therefore if you have another advertising option in mind, please let me know.

I understand that you may not be interested in purchasing a monetary sponsorship for this event. If this is the case, I would love to talk with you about the possibility of your company donating an item or several items (gift cards, memorabilia, etc.) for our tournament winners or the silent auction we have planned for the evening of the tournament.

Our district's **Tax ID** number is **570478185**

Thank you so much for your time and consideration of this important event and opportunity. I look forward to hearing from you soon.

Sincerely,

Perry Parks

Ridge View Athletics

*Ridge View High School has a storied athletic tradition. Countless teams and individuals have proven time and again that Ridge View High School Athletics continues to be one of the most competitive programs in the Southeast. However, our focus is not only on the achievements of our student-athletes on the field, but rather on the strides our student-athletes make in the classroom and the community. Through community and school involvement, we can continue to mold our young men and women into the leaders of tomorrow.*
