ATHLETICS CORPORATE SPONSORSHIPS

Dear Ridge View High School Partner,

Ridge View High School has solidified itself as one of the top athletics programs in all of South Carolina. In 24 short years of existence, Blazer teams have won multiple state titles (**including in 2018 and 2019 as our Boys Basketball team won two consecutive state titles!**), produced many college-level student-athletes and even several professional athletes. The idea of never being satisfied is an attitude that is engrained in each of our coaches and student-athletes, and this idea exemplifies our goal of continuous improvement. We invite you to come along on this journey with us as build an even stronger athletics program.

This proposal contains all-encompassing advertising packages that will take your name into each of our sports from spoken advertisements by our public address announcers, advertisements on our state-of-the-art LCD scorer's table in the gymnasium to signage at all of our athletic venues. Advertising with Ridge View High School can be very advantageous for your business offering you great exposure for a low price. We want to make sure that you get the exposure you deserve for sponsoring our teams. If there is a sponsorship option you have in mind that is not listed in this packet, please don't hesitate to contact me. Your sponsorship dollars will aid our administration in many ways providing quality athletic gear and helping to fund travel to away contests.

In addition to the packages below, we are able to offer certain "add ons" such as permanent scoreboard advertising on campus at Ridge View High School. If you are interested in negotiating pricing on those options or have other advertising options in mind, please contact me. I am more than happy to craft a package that will fit your exact advertising needs.

Thank you for your time and consideration of this request. Our athletics program would not be as successful as it has been in the past without the generous support of people like you.

Sincerely,

Brian Rosefield

Ridge View Athletics

Ridge View High School has a storied athletic tradition. Countless teams and individuals have proven time and again that Ridge View High School Athletics continues to be one of the most competitive programs in the Southeast. However, our focus is not solely on the achievements of our student-athletes on the field, but rather on the strides our student-athletes make in the classroom and the community. Through community and school involvement, we can continue to mold our young men and women into the leaders of tomorrow.
