**August 2020**

\_\_\_\_\_

**My/our child**, \_\_\_\_\_, has permission to participate in regular season extra curricular athletic activities at their GreatHearts Academy (hereafter GreatHearts). I/We understand that novel coronavirus (COVID-19) creates challenging and unprecedented public health issues related to participation in athletic activities. I/We have been provided the information related to GreatHearts' procedures which incorporate the CDC and Arizona Guidelines related to reopening of school facilities as well as the updated 2020 AIA Guidelines related to COVID-19. We understand the COVID-19 virus has a long incubation period during which carriers of the virus may not show symptoms and still be highly contagious. We understand and agree that before participation in any athletic activity:

1.) Our athlete shall be asked if they have presented with any of the following symptoms of

COVID-19:

- Fever or chills
- Shortness of Breath
- Loss of Sense of Taste or Smell
- Dry Cough
- Runny Nose
- Sore Throat
- Body Aches or Muscle Pain
- Nausea or Vomiting
- \_\_\_\_\_ (Initial)

2.) Our athlete shall be required to verify they have not traveled outside the US in the past 14 days.

3.) Our child shall have their temperature taken via forehead thermometer before each session.

If an athlete registers a fever over 100.4 degrees Fahrenheit (38 degrees Celsius), has any other symptoms, or has traveled as specified during the past 14 days, the athlete shall not be allowed to participate in the athletic activities, shall be required to isolate from the group immediately to await transportation home.

Any athlete who is sent home with symptoms will only be allowed to return with a note from a medical professional confirming the child is symptom free for COVID-19 or after 14 days of isolation and no symptoms upon return. Information on telehealth resources will be available from your Academy team.

We understand that no institution can guarantee safety from contagion during this pandemic and knowingly and willingly accept and assume the health risks that may be associated with our athlete's participation in regular season athletic activities and agree to waive all claims and hold all GreatHearts entities, affiliates, agents, volunteers and employees harmless in the event of any COVID-19 related illness that may occur while my athlete is participating in this regular season athletic activity.

In addition to COVID-19 specific procedures, I/we have carefully reviewed this agreement and believe that reasonable and necessary precautions for safeguarding the students during the practices are being taken and agree that I/we and our athlete shall abide by all GreatHearts policies, procedures, and safety protocols.

**I/We knowingly and willingly agree to waive all claims and hold all GreatHearts entities, affiliates, agents, volunteers and employees harmless in the event of any COVID-19 related injury or illness to my child while he or she is participating in this regular season athletic activity.**
