

Arete Prep Athletics

Game Day Operations

Welcome to Arete Prep, home of the Chargers! We are excited to host your team this week in competition. Please do not hesitate to reach out with any questions you may have ahead of our scheduled game(s). We want our students to continue playing the sports they love, so help us by respecting and following these guidelines as well as pass this information on to all who will be attending the game.

Spectators: At this time, there are no visiting fans allowed at AIA events. If you have essential volunteers (video, stats, medical...) please include them on your Covid form.

Live Stream: We are still working through how we will live stream, and links will be provided as they are developed.

YouTube: Arete Athletics (subscribe!) *IGTV/Facebook:* @Areteprepchargers

Masks: In accordance with the AIA sport modifications, masks are to be worn AT ALL TIMES before, during, and after the contest. All bench personnel including all coaches and players must wear a face covering at all times.

Parking: Enter our campus off of Baseline Rd. and proceed to the back (south) of campus. Parking is offered on either side (east and west) of our field. The green Arete graphics note the main gym entrance where we will check in for basketball.

Athletic Trainer: We will have an athletic trainer on site for all home varsity contests. We will have water available for your team. We ask that each athlete/team provide their own water bottles. Visiting teams will provide the AIA COVID-19 monitoring form to the head coach/admin during pregame.

Locker Rooms: Our locker room will NOT be available for visiting soccer teams. Please come dressed and prepared to compete. Please be sure to practice social distancing and wear a mask at all times.

Basketball: All visiting teams will have use of a locker room for pregame and halftime talks. However, athletes should come dressed and ready to play, as much as possible.

Be advised, there will be no handshakes at the conclusion of competitions due to the social distancing guidelines.

Again, we look forward to hosting you and don't hesitate to reach out with questions.

Todd Conklin, Athletic Director
