

Sports Health

Dear Parents:

I would like to take this opportunity to introduce you to the athletic training services that are provided to the student athletes at Magnificat High School.

I will be serving as the athletic trainer at Magnificat High School. As nationally certified and Ohio Licensed athletic trainers, I am educated and skilled in the services of injury prevention, injury recognition and evaluation, and orthopedic rehabilitation. I am available to evaluate and treat injured athletes as well as provide injury prevention information. In addition to my services we are fortunate to have working relationships with Cleveland Clinic physicians.

It is also important to understand not all injuries can be treated in the high school athletic training room. If an injured athlete requires additional medical attention, Cleveland Clinic Sports Health can provide priority scheduling with one of our sports medicine physicians. Cleveland Clinic also offers our Ortho Express Care Clinics. More information on these services can be found below.

If you need to speak with me, I can be reached at 440-331-7663 ext. 238 or trathwell@maghs.org.

I am looking forward to the upcoming school year and wish the best of luck and safety to your daughter in their sports season.

Sincerely,

A handwritten signature in cursive script that reads 'Tiffany Rathwell, ATC'.
