

Bonita High School Boys Basketball

2016 + 2017+2018 Palomares League Champions
2015 CIF D3 Semi-Finalist
2016 CIF D3AA Finalist
2016 State Regional Finalist

Goals: Bonita boy's basketball strives to promote hard work, team chemistry, academic excellence, character and a winning culture.

Tryouts: Tryouts are held annually for all teams in the Spring. Spring tryouts for freshman are TBA. Usually the Friday/Saturday after 8th grade graduation.
Please sign up with your email, tryout information will be sent in May. If possible, we would like our incoming freshman to enroll in our summer camp.

TRYOUTS: JUNE 8TH, 8-10AM and JUNE 10TH 7-9PM

Practices: All regular season practices are mandatory. Spring and summer practices are also mandatory, but individual absences can be excused.

Year Round Schedule: Bearcat Basketball is a year round program. Here's how that breaks down:
Fall: All players not in a Fall sport will practice 7th period and after school. Fall league.
Winter: Our regular season is from November to February.
Spring: All players not in a Spring sport will practice 7th period and after school. We play in 2 Spring leagues.
Summer: Summer practice, leagues and tournaments, team camps are mandatory for all players. Absences can be excused when notified in advance. The summer program is an extension of spring workouts and runs until end of June. We take a dead period from early-July until the start of school in August.

Sharing Athletes: Our philosophy is that the athlete should be free to play more than one sport. Summer practices are arranged so they do not conflict with football and most other sports. Overlapping schedules are split evenly. 9th grade FB players need to enroll in 7th period FB PE.

Player honors:

2018-19	2-1 st team all-league and 1-2 nd team all-league players.
2017-18	League MVP, 1 st and 2 nd team all-league players.
2016-17	League MVP, 2 1 st Team all-League players, 1 second team all league player.
2015-16	League Co-MVP, 2 first team all-League and one 2 nd . 2 All CIF 1 st team players
