

## 2018 – 2019 Volunteer Information

### OLMSTED FALLS BULLDOG PARENT(S):

The Olmsted Falls Athletic Boosters is asking for your help – we are asking for a commitment from all parents in the community whether or not your student participates in a high school or middle school athletic program.

Listed below are the events OFAB needs adults to work. Please check your preference and return this form in the envelope provided. If you have any questions, please contact Heather Fritz at [volunteers@ofathleticboosters.org](mailto:volunteers@ofathleticboosters.org). We are always looking for volunteers and this is a great way to support our student athletes. Thank you for your support!
