

Athletic Pre-Participation Physical Exams

It is an IHSAA requirement that student athletes receive a physical exam prior to the beginning of their freshman and junior years. In order to keep this cost effective for parents and convenient for students, your school's athletic training department has developed a relationship with the Ada County Medical Society, Saint Alphonsus, and Saint Lukes. For more than twenty years, we have come together on one day to deliver a comprehensive sports exam to our athletes.

The big bonus

Student athletes pay only \$20 for this service. The amount charged is directly donated to the high school's athletic training departments and used to purchase educational and rehabilitation equipment. Should this amount present a hardship for your family, please ask your athletic trainer for help.

We invite you to take advantage of this great opportunity!
