

Coldwater Cavalier Parents (Please Read),

The window to complete online Athletic Physical Information will be from May 10th to June 10th. Try to have all information completed by June 10th. That gives you time to contact us with questions prior to the day of physicals.

It is that time once again for the Student/Athletes Physical paperwork to be completed for the 2019-2020 school year. Enclosed you should find:

- 1) Athletic Physical copy
- 2) Instructions for First Time users of Privit Online Physical records
- 3) Instructions for Parents that have used Privit Online Physical records last year

****Be sure to use the correct set of instructions depending on if you used it last year, or this is your first time using this. One copy (front and back) of instructions is for returning users, the other copy (front and back) is for parents that did not use the online physical records last year. Most will use returning instructions unless you did not have an athlete participating last year.***
