

***Due to the Covid Shutdown, we regret to inform that there will be NO Mass Physicals this year.*** After speaking with the doctors, the feeling was that there is not a safe way to conduct Mass Physicals and keep everyone distanced with a guaranteed sterile environment. The doctors wanted to give you plenty of notice so that you may start to schedule your physicals. Physicals are good for 13 months. If you get one on May 15<sup>th</sup>, it will be good until June 15<sup>th</sup> of the following year.

It is that time once again for the Student/Athletes Physical paperwork to be completed for the 2020-2021 school year. Enclosed you should find:

- 1) Athletic Physical copy
- 2) Instructions for First Time users of Privit Online Physical records
- 3) Instructions for Parents that have used Privit Online Physical records last year

***\*Be sure to use the correct set of instructions depending on if you used it last year, or this is your first time using this. One copy (front and back) of instructions is for returning users, the other copy (front and back) is for parents that did not use the online physical records last year. Most will use returning instructions unless you did not have an athlete participating last year.***

IMPORTANT NOTES:

- 1) All Physical Paperwork is due to the High School Office at least 1 day PRIOR to the first official day of practice for each sport season. Please get your information completed as soon as possible and get the information turned in immediately. Do NOT wait until the last day.
