

August 15, 2020

Dear Parent:

I would like to take this opportunity to introduce you to our athletic training services that are provided to the student athletes at Bay High School.

I will be serving as the athletic trainer at Bay High School. As a nationally certified and Ohio licensed athletic trainer, I am educated and skilled in the services of injury prevention, injury recognition and evaluation, and orthopaedic rehabilitation. I will be available to evaluate and treat injured athletes as well as provide injury prevention information. It is also important to understand that not all injuries can be treated in the high school training room. If an injured athlete requires additional medical attention, Cleveland Clinic Sports Medicine can provide priority scheduling with one of our sports medicine physicians.

If you need to speak with me, I can be reached at (440)821-0498 or email: hilary.hewkin@bayschoolsohio.org.

I am looking forward to the upcoming school year and wish the best of luck and safety to your athlete/s in their sports season.

Sincerely,

Hilary Hewkin

Cleveland Clinic Sports Medicine Athletic Trainer
