

FRANKLIN CENTRAL PRIDE BANNER

Franklin Central takes great pride in the commitment to excellence and effort our students dedicate to their extra-curricular activities. We invite you to share this pride with the Franklin Central Community by displaying pride banners. The banners are highly durable and made to withstand the forces of nature. Grommets are in each corner for easy attachment above your garage door or home. \$30/each is a very inexpensive way to show the entire community, pride and respect, your child has earned. Each banner purchased, \$5 is donated to your child's activity or sport. Please complete the order form below and return it to the high school main office c/o Mr. Kellison. Please allow 4 weeks for production and delivery.

*Samples of availability are on the reverse side of this form.
