2020-2021

Statesboro High School Supporters,

It has been an eventful year for Statesboro High School Athletics. In a shortened school year, our Blue Devils captured three region championships. These include volleyball (back to back), girls' basketball, and softball. Unfortunately, the pandemic ended our school year and spring sports prematurely. We understand that there is continued uncertainty, but we ask that you continue to keep the Statesboro High Boosters in your giving plans. Due to these concerns, we have adjusted giving levels to be more accommodating. As we strive for continual excellence, we greatly need your support. Each year, the Statesboro High Boosters help fund all of our athletic programs and our feeder middle schools. Your contributions will help us to continue to provide opportunities for our young men and women to succeed. Please consider making your tax deductible donation to this worthy cause.

Patrick Hill
Athletic Director
Statesboro High School
