

**WESTWOOD HIGH SCHOOL
DUAL SPORT AGREEMENT
2018/2019**

This agreement is between _____ and the Westwood High School Athletic Department.
(Name of student)

The above named athlete would like to enter into a Dual Sport Participation program. The above named athlete agrees to follow the guidelines set forth in this agreement.

This athlete will participate in _____ and _____
(1st sport) (2nd sport)

The primary sport will be _____

The secondary sport will be _____

The athlete is expected to participate in all scheduled meets with priority given to the primary sport.

An example would be if an athlete is signed up as dual sports for Track and Golf with Track as a primary sport, and a Track and Golf meet are scheduled for the same day, the athlete must go to the Track meet.

1. Note that a student participating in a sport will not be displaced from a varsity starting line-up or from the line-up from the varsity team by a student competing in the same sport as his or her secondary sport.
2. Dual sport athletes may participate in two varsity contests on the same day with Athletic Director approval.
3. Participation in the primary sport requires attendance at both the practices and games.
4. If an event needs to be rescheduled for some reason and the rescheduled contest occurs the same day as the other sport contest, dual sport rules still apply regarding participation.
5. Dual sport athletes will pay a graduated participation fee: \$80 for the primary sport, \$40 for the secondary sport.

The Athletic Director may rescind the request during the season if the decision proves to be detrimental for any reason.
***Any decision to rescind is not subject to appeal.**

Practices are to be attended when possible, (in the second sport not to interfere with the primary sport). These arrangements must be made with the individual sport coaches and should be documented with the coaches with copies given to parents of the athlete and the Athletic Director.

This agreement will cover the _____ (Fall, Winter, & Spring) sports seasons only and is effective when signed by all parties involved in the agreement.

The Athletic Director has all discretion in the management and enforcement of this policy. Additional agreements/Summary by Athletic Director are:
