

Charlottesville High School Game Day Mitigation Winter 2021

Bus Parking and Team Entrance

Main Gym - Charlottesville High School

1400 Melbourne Rd. Charlottesville, 22901

The visiting team bus should arrive in the bus loop adjacent to the MLK Performing Arts Center/Gymnasium. Any car riders/drivers that will be entering with the team party should park their vehicle in the large parking lot adjacent to the bus loop. Check in and screening procedures will begin 1 hour before the scheduled start time of the event(s). Visiting teams are expected to enter the building together whether or not they arrive in the same vehicles.

A map of Charlottesville High School is on the title page of this document.

Main Gym - Charlottesville High School

The following protocols will be followed by participants, coaches, game officials, media, athletics staff, and anyone else who may be entering the gymnasium.

Check In Procedures

Participants are expected to enter through the set of four orange doors in front of the MLK-PAC/Gym entrance. The check in station will be located in the hallway leading to the gymnasium. We ask that participants stay to the right-hand side of the hallway and allow appropriate room for physical distancing (6 ft in any direction).

Charlottesville High School will be using a digital spreadsheet in its athletic screening process. A link will be sent to the visiting school's athletic director in advance with the hopes that all participants may screen themselves as they are arriving at the facility. If they do not, they will be screened by official CHS personnel. **Everyone who enters the facility will have their temperature checked at this station.**

Changing Rooms

For Visiting School

For events taking place in the CHS gymnasium, the visiting school will be offered one large changing room equipped with a HEPA air filter and a restroom that will only be used by members of the team party. While this room may be large enough for an entire team, we strongly recommend that you allow no more than 6 participants in at a time. These rooms are not meant to be a location for congregating. The room will be locked

during the game and will only be opened at the request of a visiting team coach or administrator and athletes will not be allowed to enter without supervision present.

For Officials

For Boys Basketball Competitions & Wrestling, officials will be directed to the coaches' office adjacent to the auxiliary gymnasium and athletic training room.

For Girls Basketball Competitions & Volleyball, officials will be directed to the PE locker room and coaches' office on the Performing Arts Center side of the gymnasium.

Both of these areas will be equipped with HEPA air filters on the day of the event.

Team & Bench Areas

Each team and bench area will be supplied with 18 individual chairs for players and coaches during the event in which they are participating. A designated CHS staff member will be assigned to the bench area to maintain COVID protocols and to be available for assistance as needed. There will also be several rows of bleachers available directly behind the team bench for members of the team party who may not be participating at that time (i.e. JV players during the Varsity game and vice versa, team managers, additional coaches and team staff, etc.)

Scorers Table

Charlottesville High School has a 16 ft. scorers table. The clock operator will be positioned at one end of this table. In the event that there is also a PA announcer, that individual will be positioned at the opposite end. In addition, there will be two separate tables, one on either side of the scorers table, for each team's bookkeeper. Emergency masks, hand sanitizer, disposable wipes, and other COVID related items will be available in this area should there be a need for them.

Approximately 20 ft. behind the scorers table, there will be a designated area for game officials, if a need arises.

Spectators

No spectators will be allowed. Please click on the "LIVE" camera icon next to the event on the jeffersondistrict.org schedule for streaming options.

Exit

Visiting team members, coaches, officials should all exit through the main hallway that separates the gymnasium from the performing arts center using the two doors marked "EXIT ONLY." Team members who participate in the final game of the night are

expected to leave as a group. **Any participant who exits the facility will not be allowed back in.**

Note: JV players who intend on leaving after the JV game will not be allowed to leave the facility early without a coach or team staff escorting them to the exit.

Pool - Brooks YMCA

Bus Parking and Team Entrance

Pool - Brooks YMCA

151 McIntire Park Dr., Charlottesville, VA 22902

The visiting team bus should arrive in the traffic loop adjacent to the Brooks YMCA entrance. Any car riders/drivers that will be entering with the team party should park their vehicle in the large parking lot adjacent to the traffic loop. Check in and screening procedures will begin 1 hour before the scheduled start time of the event(s). Visiting teams are expected to enter the building together whether or not they arrive in the same vehicles.

The following protocols will be followed by participants, coaches, game officials, media, athletics staff, and anyone else who may be entering the gymnasium.

Check In Procedures

Participants are expected to enter through the front entrance of the YMCA. Visitors will be directed downstairs for check in with official CHS personnel. We ask that participants stay to the right-hand side of the hallway and allow appropriate room for physical distancing (6 ft in any direction).

Charlottesville High School will be using a digital spreadsheet in its athletic screening process. A link will be sent to the visiting school's athletic director in advance with the hopes that all participants may screen themselves as they are arriving at the facility. If they do not, they will be screened by official CHS personnel. **Everyone who enters the facility will have their temperature checked at this station.**

Changing Rooms

Participants are expected to arrive wearing their suits under their warm-ups. However, the YMCA locker room/changing areas will be available for participants to have access to a restroom or to change, if necessary. Participants are encouraged to enter such facilities one at a time.

Team & Pool Deck Areas

For dual meets, the large studio room adjacent to the pool deck may be used as a staging area for athletes who are not participating at that moment. Athletes are able to bring blankets, towels, or small camping chairs to sit on but should remain physically distant (allowing 6 ft. of space between themselves and any other person).

For tri meets and larger, the gymnasium and lobby area may be used for staging as well.

Event Traffic Flow

When a participant's event is called, they should proceed from the staging area around the right side of the pool deck in a counterclockwise motion to the starting platform. Upon completion of the race, participants should be prepared to do a 75m warm down and exit the opposite side of the pool then proceed back to the staging area along the left side of the pool deck continuing in the counterclockwise direction. Please reference the diagram on the final page of this document.

Spectators

No spectators will be allowed. Please click on the "LIVE" camera icon next to the event on the jeffersondistrict.org schedule for streaming options.

Exit

Participants, coaches, and officials should all exit through the main entrance of Brooks YMCA. Participants are expected to leave as a group with their team and coaches. **Any participant who exits the facility will not be allowed back in.**

Note: Any participant who intends on leaving early will not be allowed to leave the facility early without a coach or administrator escorting them to the exit.
