

**Interim Athletics Health and Safety Plan**  
Hampton Township School District  
Athletics Department  
Effective July 1 to August 19, 2020

ACKNOWLEDGMENT

We understand that COVID-19 is a highly contagious virus and acknowledge that there are no health and safety measures that can completely eliminate the risk of infection and spread of COVID-19 to those who participate in athletics, including out-of-season conditioning, at the District.

We understand that the District has adopted an Interim Athletics Health and Safety Plan with the goal to keep the risk of transmission of COVID-19 as low as possible to safely continue school athletics, and we acknowledge our responsibility and obligation to actively participate in mitigation efforts to help reduce the risk of infection and spread of COVID-19, for the benefit of ourselves and other members of the school community, by becoming familiar with and following all guidelines and safety measures in the Interim Athletics Health and Safety Plan.

We have read and understand the Interim Athletics Health and Safety Plan and agree to implement and strictly follow all guidelines and safety measures set forth in that Plan in order, to the extent possible, to reduce the overall risk of infection and spread of COVID-19 within the school community.

We understand that the District may issue additional protocols and requirements from time to time which are designed to address health and safety risks within the school community, and we agree to take all reasonable measures to comply with those protocols and requirements.

The undersigned acknowledge that participating in athletic programs, events, and activities may include a possible exposure to communicable disease including but not limited to COVID-19, MRSA and influenza. The undersigned further acknowledge that they are aware of the risks associated with COVID-19 and understand that while recommendations and personal discipline may reduce the risks associated with participating in athletics during the COVID-19 pandemic, the risk of serious illness, medical complications and possible death does exist.

We knowingly and freely assume all such risks, both known and unknown, even if arising from the negligence of others, and assume full responsibility for Student's participation in athletics during the COVID-19 pandemic. We willingly agree to comply with the stated recommendations put forth by the District to limit the exposure and spread of COVID-19 and other communicable diseases. We certify the Student is in good physical condition or believe Student to be in good physical condition and allow Student to participate in athletics at our own risk.
