

RAISE YOUR SLEEVE.

COLTS LEADERSHIP CHALLENGE

Hospital patients need blood every day. To ensure the blood supply doesn't run low in the summer months, Indiana Blood Center has partnered with the Indianapolis Colts to create a program specifically designed for high school football teams. This program is endorsed by the Indianapolis Colts and the Indiana Football Coaches Association.

Please help support Pendleton Heights High School Football Team as we participate in the Colt's Leadership Challenge!

We know our football players are leaders in our school, here is a way to showcase that leadership and have our players be leaders in our local community by encouraging the community to donate blood!

We are asking all football players to either donate blood or simply recruit a minimum of 1 blood donor for our blood drive.

To signup online, simply click on the link below. You can also email Michael Wilkins at mwilkins@smcsc.com or Courtney at cadkins@indianablood.org to schedule an appointment.

Thank you for your support of this lifesaving community service project!

Eligibility

The donation process takes less than an hour. It is recommended that donors have a light snack before donating. Most people are eligible to donate. There are very few causes for deferral and very few medications that are not acceptable.

Not sure if you are eligible to donate? Email [Eligibility](#).

Indiana Blood Center must see 550 individuals each and every day to ensure hospital patients near and far have more tomorrows and brighter futures.
