ABOUT US:

We have more than a decade worth of experience in and around college athletics – including experience as a college athletic department administrator, national governing body staff member, prospective college student-athlete, college student-athlete, and transfer student-athlete.

OUR SERVICES:

- **CLIENT CENTERED** --- 100% client centered approach. We support the goals of the student and their family. Our mission is to use our knowledge and expertise to empower the client in their unique journey.
- **PLAN** --- Customized road map plan, structure, and guidance throughout the client's recruiting process - and beyond college enrollment when necessary.
- **RESEARCH** --- Customized research into potential recruitment and financial aid/scholarship opportunities, as well as background research into an athletic department, sport program, and/or coaching staff.
- **ACADEMICS** --- Pre-college enrollment academic eligibility advising (high school academics).
- **SCHOLARSHIPS** --- Financial aid/scholarship advising, including:
 - Assisting in identifying and negotiating athletic scholarship opportunities.
 - Identifying academic and community scholarship opportunities.
 - Packaging/stacking multiple scholarship opportunities.
 - Post-college enrollment scholarship advising (increases, renewals, non-renewals, and transfer).
- **PREPARE** --- Provide opportunities to practice and prepare for recruiting meetings, calls, or other communications with college coaches.
- **SERVICE** --- We limit our volume of clients to guarantee that we are proactively keeping our clients on track, as well as adjusting the customized road map when needed.
