

As a parent or legal guardian, I grant my permission for treatment of standard first aid from the coaching staff for conditions arising during participation. I understand that every effort will be made to contact me prior to treatment. Also as parent or guardian, I feel my child is physically fit for participation in the camp. I have adequate insurance and thereby release Catawba County Public Schools from any responsibility (other than that which may be in result of negligence) in the event my child is injured as a result of participation in the camp.
