

St. Marys Memorial Roughriders Athletic Page

As some of you already know, we have created a new Athletics' webpage. The Athletic Department is working hard to keep our community up to date on current and upcoming athletic events.

Our purpose for the Athletics' webpage is to create an online representation for our school athletic programs. We want to promote our current school athletics and showcase school spirit.

You will notice on the Athletics' webpage there is access to our Facebook and Twitter page.

- Facebook: St. Marys Memorial Athletics
 - #SMMROUGHRIDERS
- Twitter: St. Marys Memorial
 - @homeoftheriders

Features that our page has to offer that we feel will benefit our athletes, parents and community:

- Scheduling/Calendar, Twitter and Facebook
- Alerts- Via Text & Email (Parents can sign up *Sport Specific*)
- Photo Galleries- Showcase your student athletes. Every sport will have its own
- Press Box- Coaches will be able to report game recap and post final scores.
- VNN Mobile App- Information on this is available on our webpage, under the *MORE* Tab
- Home Navigation Bar- Easy to use, customized for our school
 - Check it out, our official link:
 - www.roughridersports.net
