## Why Jaguar Basketball?

At the Jaguar Basketball Camp, your child will receive some of the best coaching in the East Valley. Players who have earned All East Valley Region honors as well as our experienced coaches will coach your child and provide feedback throughout their experience. In addition, campers receive a *new camp item for each week they attend*. We are dedicated to making Jaguar Basketball Camps a place where your child can learn, grow and have fun!

### Co-ed Shooting Camp:

During the shooting camp, your child will receive personalized instruction on proper shooting form and footwork techniques as well as how to make themselves available to shoot. In addition we will discuss where to catch and where to pass the ball to a shooter, details that are often overlooked.

### Co-ed Skills Camp Week 1: Individual Skills

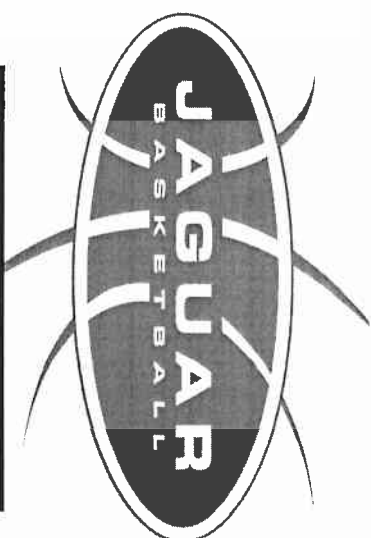

During this week campers will obtain the fundamental individual skills that are required to perform at a high level. Skills such as ball handling, passing, footwork, defense and shooting will be taught. Campers will have the opportunity to first learn the skill from a coach then become proficient in the skill through multiple repetitions.

### Co-ed Skills Camp Week 2: Team Concepts

During this week of campers will learn how to implement the skills they obtained in Week 1 into team concepts. Concepts such as reading screens, moving without the ball, passing angles and help side defense will be taught. Campers will have the opportunity to first learn the concepts from a coach then perform the concepts in a team atmosphere. Ultimately, campers overall basketball acumen will improve.

### Co-ed Skills Camp Week 3: Competition

During this week campers will have the opportunity to showcase the individual skills and team concepts they have learned in the previous weeks of camps. This week will consist of various competitive settings including 1 on 1, 2 on 2, 3 on 3 etc. Teams will vary during this week. Campers will have the opportunity to play with different players and for different coaches
